**Subject:** Request for Response for Proposed Procedural Schedule for Fuel Cases

Folks:

I hope this finds you well. I am writing to you in your capacity as an interested stakeholder and participant in the virtual forum held on August 25, 2020 regarding the scheduling of future fuel cases. Specifically, I am requesting comments on the attached proposed schedule for the administration of fuel hearings for the regulated utilities the years 2021 and 2022. Included in this document are the former schedules for fuel cases (years 2017-2020) for perspective. Please file all comments by letter in **Docket No. 2005-83-A no later than Monday, September 14, 2020.**

Regards,
